That's fine. Carol or Mark could send a short email with the paper and suggest that we could discuss at the OCE weekly.

**Subject:** RE: Awareness Briefing: Lower Umatilla Basin Groundwater Management Area -- June 4 with Dave Ross

Hi Rosemarie and Karin,

Apologies for the late notice, but we have a suggested agenda item for tomorrow's OCE weekly. It's about the SDWA Section 1431 petition EPA received earlier this year for nitrate contamination in the Lower Umatilla Basin in Oregon (attached for reference). Region 10's scheduled to provide an informational briefing for Dave Ross and Anna Wildeman on June 4. WED can cover the briefing next week, but we wanted to flag it for you and Susan in case you have questions or want to join.

Thanks,  
Carol
